RE: Grant v. PV Holding, et ano.
20 CV 6431 (PMH)

Dear Judge Halpern:

As you know, we represent the defendants in regard to the above-captioned matter and write the Court, with the consent of plaintiff's counsel, to request a 60-day extension to complete discovery.

All paper discovery has been completed, medical records and authorizations have been exchanged and all parties' depositions have been completed. A physical examination of the plaintiff has been scheduled, unfortunately, however, the earliest date available for the examination is February 8, 2021.

In light of the foregoing, we are requesting an extension to complete all discovery, including expert disclosure until April 15, 2021 to allow our examining physician to review the records supplied to him, examine the plaintiff and draft his report detailing his findings.

Respectfully,

REARDON & SCLAFANI, P.C.
